Match the text and title of the book

1

This is the story of an orphan who lives with his aunt and uncle. His aunt and uncle are very kind to him and he loves them both very much. The boy is thin and weak and wears glasses, until one day, during a school visit to a laboratory, a radioactive spider bites him. After that, he suddenly becomes strong and athletic and he does not need his glasses anymore because he can see very well. He quickly develops special powers. He can climb very high buildings and move through the city, jumping from one building to another with the help of a special spider's thread that comes out of his arms. After a criminal kills his Uncle Ben, the boy becomes a super-hero who fights crime and protects people from danger.

2

One day a little girl goes for a walk with her older sister. Suddenly she sees a white rabbit running past her. The rabbit is unusual because it is wearing clothes and talking. It is worried and looking at its watch because it is late. The girl follows the rabbit down a hole and arrives in a marvellous country full of strange animals and people. She has a lot of adventures in this wonderful land: she grows very big and then very small, she meets the Queen of Hearts and she has tea with the 'Mad Hatter'. In the end, she finds her way back to her sister in the real world.

3

This is the story of an orphan who lives with her aunt and uncle in Kansas. Her aunt and uncle are very kind to her and she loves them very much. One day when she is alone in the house, a cyclone comes and the strong winds lift it high up into the sky, carrying her and her pet dog to a strange land called Oz. The house falls on the Wicked Witch of the East and kills her. The people are very happy with the girl and give her the dead witch's silver shoes. The girl wants to go home, so she must find the wizard who can help her. The girl has a lot of adventures. She meets three friends: the Tin Man, the Cowardly Lion and the Scarecrow. They are chased by the Wicked Witch of the West, who wants the silver shoes because they have magical powers. In the end, the girl's friends help her to find the wizard, and the girl and her pet dog can go back home.

4

This is the story of an orphan who lives with his horrible aunt, uncle and cousin. The aunt and uncle are very unkind to the boy and make him sleep in the cupboard under the stairs. On his eleventh birthday, he meets Hagrid, an ogre, who brings him a letter from his new school, called 'Hogwarts'. This is not an ordinary school: it is a school for witches and wizards, because the boy has magical powers. At the school, the boy and his new friends have their first adventure. They discover a stone that has special powers – it can make you live forever. The boy must find the stone and protect it from Voldemort, a wicked wizard who is the boy's enemy.
